If you would like new only, simply specify that when placing your order.

Special Customer Services

OCLC MARC Records & Processing - We can ship your order shelf-ready by providing our processing services. We will process to your specifications and provide all of the cases. While different services have different charges, most processing is only \$1.50 each item.

Billing and Invoicing - Many of our customers require specialized billing or invoicing. We are very flexible to your requests. Simply let us know what you need!

Standing orders - Our trained staff can help you by selecting your movies on a monthly or quarterly basis based on your budget and set specifications. We will send you the titles selected as a quotation for your approval and upon agreement we will create the order saving you much time and research!

Special Requests - Looking for an item that you have been told is out-of-print or is no longer available? DV&A has the resources and is known in the industry for finding those hard-to-find and out-of-print movies.

Shipping

Most of our orders are shipped via UPS unless otherwise requested. In the case of a P.O. box address, we will ship USPS Priority Mail. International orders can be shipped USPS, FedEx or DHL.
