## **New and Used Product**

DVA provides both new and used product. Generally when our ship dates and street dates match, the item is New. When they differ, the item is used thus providing you with a greater discount. We will always try to get you the best price on the highest quality product available. Sometimes that requires us to fill an order with used product. If you would like new only, simply specify that when placing your order.

## **Special Customer Services**

**OCLC MARC Records & Processing** - We can ship your order shelf-ready by providing our processing services. We will process to your specifications and provide all of the cases. While different services have different charges, most processing is only \$1.50 each item.

**Billing and Invoicing** - Many of our customers require specialized billing or invoicing. We are very flexible to your requests. Simply let us know what you need!

**Standing orders** - Our trained staff can help you by selecting your movies on a monthly or quarterly basis based on your budget and set specifications. We will send you the titles selected as a quotation for your approval and upon agreement we will create the order saving you much time and research!

**Special Requests** - Looking for an item that you have been told is out-of-print or is no longer available? DV&A has the resources and is known in the industry for finding those hard-to-find and out-of-print movies.

## **Shipping**

Most of our orders are shipped via UPS unless otherwise requested. In the case of a P.O. box address, we will ship USPS Priority Mail. International orders can be shipped USPS, FedEx or DHL. While we get new product daily, to save on shipping costs to you, we will ship orders out twice a week unless otherwise requested. On larger orders freight charges can be waived.
